

Understanding Your New Bill Format

Now your bill is easier to read and to understand. This overview explains some of the changes in the way billing information is now displayed.

Account at a Glance: This area provides a general overview of current charges, recent payments and any outstanding balances that apply.

Your Account Number, Invoice Date, Due Date and Amount Due will appear at the top of each page.

News from NTELOS: This is the place to learn about important updates to your account, new services and promotions. Here you will also see any notification regarding past due balances.

NTELOS Service: This section provides convenient ways to pay your bill or to contact us with questions about your bill. We have secure options to pay by mail, online, automatic withdrawal or by phone.

Automatic Withdrawal: When you choose the convenience of automatic withdrawal from your bank account or credit card, your debit information will display here.

Address Change: If your address is incorrect, check this box and mark any address changes on the reverse side.

Payment Remittance Slip: This convenient tear-off slip ensures that your payment is applied properly to your account. Please return it with your payment in the envelope provided with your bill.

Detailed information about your NTELOS services begin on page 3. Some enhancements include the summary section and call plan presentment, but mostly you will see simple formatting changes to make your bill easier to read.

News from NTELOS: Find more news about important updates to your account, new services and promotions here.

Your Account Number, Invoice Date, Due Date and Amount Due will appear at the top of each page.

Summary: This enhancement summarizes the total charges per service number and the page where you can find the service. The total of all these charges is also reflected on page 1 under current charges.

Account Charges: Describes the charges required by local, state and federal government, as well as any adjustments or call plans at the account level.

Local Services: You will continue to see your monthly charges as you have in the past. Enhanced formatting identifies each service number with a bold line and downward arrow.

Call Plan Information: We've re-formatted the call plan information to make it easier for you to see the minutes used, the number of calls made and the charges incurred.
